Keep this on your mind  
Keep it within your eyelids  
Keep this on your mind  
Keep it within your eyelids

We have ascended countless stairs  
Perhaps it has interrupted our thoughts  
Regret is an inception, regret is a beginning

Miles and miles of wires build the apparatus  
But don't mistake power lines for shelter  
I forgot and it will more than likely happen again,  
happen again  
More than likely happen again  
More than likely happen again

Drink and binge the waters of the sea

Keep this on your mind  
Keep it within your eyelids  
Keep this on your mind  
Keep it within your eyelids

Don't climb for a lifetime only to fall short of infinity  
Everything is left with faith, some minds are sand  
But I prefer concrete

This is what is going to separate us from them  
This is what is going to separate us from them

Time for the next chapter

Keep this on your mind  
Keep it within your eyelids  
Keep this on your mind  
Keep it within your eyelids

Keep this on your mind  
Keep this on your mind  
Keep this on your mind  
Keep this on your mind
