The concept of fashion is the one to blame
Painting the portrait of conviction-less existence
Well, it must be difficult being so gorgeous!

Well, it must be difficult
Claiming to be the kings and queens
But it's all of nothing.

This shall pass
Megalomania!
This shall pass
Megalomania!

Congratulations on mutilation for a life!
For a life!
Life Life Life!
Life Life Life!

I'm going to hope for you
I'm going to pray for you
Amongst the reckless and the black
Salvation lies within.
I'm going to hope for you
I'm going to pray for you
Amongst the reckless and the black
My time is your's my friend.

We all find ourselves so horribly weak!
(Oh God) here's an offering!
Here's an offering!
Offering!
Offering!
