Now that it's here,
It's too late.
The whole wide world,
Is fearing the wrong things.
Falling down a cold staircase.
Falling down a cold staircase.
And persistently i darken my shadow to cover up regret
but the Train tracks still lie straight.
Lie straight.

It'll be the end of deception.
Vertical to the horizon.
Vertical to the horizon.
[Yeah!]
It'll be the end of deception.
[Yeah!]
It'll be the end of deception.
This is the gun to the manipulation.
This is the gun to the manipulation.

Bring the end
Bring the end [ow!]
Bring the end
Bring the end
Bring the end
Bring the end[ow!]
Bring the end
Bring the end
Architecture is falling [yeah]
Denial;
A repetitive trait.
Repetition.
The walls.
Betrayal;
A repetitive trait.

I thought this died so long ago,
But reoccurring shame eats at me.
It eats at me.
[I thought this died]
I thought this died so long ago,
Died so,

So long ago,
[Why?]
This reoccurring shame eats at me.
[Why?]
She eats at me
She walked away.

I'm here for forgiveness
God. one more time.
One more time.
[One more time]
Oh! i'm slurring, slurring a compilation of words.
A compilation of words.
Pleading only for..
Pleading for forgiveness
From you
[One more time]

God. i ask forgiveness,
One more time
This one more time...
[And i plea for her]
I thought this died so long ago,
[Long ago]
This reoccurring shame
[Shame]
Youre slurring all your words
I plea for this
I plea for this
One more time
I'm asking for your forgiveness,
God. lay her to rest
Lay her to rest.....
