CLIMBING
Climbing into fire her hands are forceful
We're burying earth in earth
White hands soft hands carefully
This makes no sense

WHAT'S THAT SOUND I HEAR (3x)
WHAT'S THAT SOUND
I'M LOST IN A STATE OF CONFUSION
OH GROUND I DESPISE YOU
BUT REJOICE IN YOUR ESSENCE
YOUR ESSENCE

ENVY WILL CEASE MY SKY
GREED WILL CEASE MY SKY
HERE'S A FARMER THAT HUNG HIMSELF
ON THE EXPECTATION OF PLENTY

At this time AT THIS TIME
I FEEL THERE IS NO BOTTOM TO EARTH
BOTTOM TO EARTH

WELCOME TO THE MUSEUM OF THE DEAD (2x)
(ENDLESS GORE BECOMES REALITY (2x))

TRADITION'S DUG THE GRAVE
THE INFERNO HAS COMMENCED (2x)
