Oh holy night  
Late December back in 93  
What a fairy special time for me  
Halleluiah for that night  
Holly night you know .. even know it's name  
But I was there never be the same  
What an angel what a night  
Oh I got a funny feeling when he walked into the church  
And I .. much too soon  
Oh holly night .. mesmerizing me  
He was there the thing I dreamed he would be  
Surrounded what a night  
I saw the rush .. spinning my head around ,  
Oh holy night  
Late December back in 93  
What a fairy special time for me  
Halleluiah for that night  
I got a funny feeling when we walked into the church  
And I .. much too soon  
O what a night why it takes so long to see the light  
Seems so wrong but now it seems so right  
What an angel what a night  
.. I felt the rush like a .. from a thunder  
Spinning my head around and ..  
Alleluia alleluia  
Alleluia alleluia  
Alleluia alleluia
