I bet you fall in bed too easily  
with the beautiful girls who are shyly brave  
and you sell yourself as a man to save  
that all the money in the world is not enough

I bet you've long since past understanding  
what it takes to be satisfied  
Like a vine that keeps climbing higher  
but all the money in the world is not enough  
and all the bridges blown away keep floating up

Its cold  
and rough  
and I kept standing 6'1" instead of 5'2"  
and I loved my life  
and I hated you

Its cold, out there  
and rough  
and I kept standing 6'1" instead of 5'2"  
and I loved my life  
and I hated you
