What's that piece of ass I see walking over here?

What's that piece of ass to me? Who's she standing near?

And when I walk on a cyclone

You should see it get rolling

Over my heart and emotions -- inside me

They go rolling inside me

Hold me close and never let me go

All my life I've wanted you to know a few things about me

I feel beautiful today -- lovely, beautiful

Saturday Saturday Saturday Saturday Saturday
Saturday

What's on the heel?

Saturday Saturday Saturday Saturday

What's on the heel? What's on the heel?

And when I walk on a cyclone

You should see it get rolling

Over my heart and emotions -- inside me

They go rolling inside me

Put it on the stereo and play

All my life I've wanted you to say a few things about me

I feel beautiful today -- lovely, beautiful

Saturday Saturday Saturday Saturday Saturday
Saturday

What's on the heel?

Saturday Saturday Saturday Saturday

What's on the heel? What's on the heel?

And when I walk on a cyclone

You should see it get rolling

Over my heart and emotions -- inside me

They go rolling inside me

And when I walk it's a riot

You should see the commotion

A hundred people drowning in oceans -- inside me

They go rolling inside me

Inside me

Inside me
