What's that piece of ass I see walking over here?  
What's that piece of ass to me? Who's she standing  
near?  
And when I walk on a cyclone  
You should see it get rolling  
Over my heart and emotions -- inside me  
They go rolling inside me  
Hold me close and never let me go  
All my life I've wanted you to know a few things about  
me  
I feel beautiful today -- lovely, beautiful  
Saturday Saturday Saturday Saturday Saturday  
Saturday  
What's on the heel?  
Saturday Saturday Saturday Saturday  
What's on the heel? What's on the heel?  
And when I walk on a cyclone  
You should see it get rolling  
Over my heart and emotions -- inside me  
They go rolling inside me  
Put it on the stereo and play  
All my life I've wanted you to say a few things about me  
I feel beautiful today -- lovely, beautiful  
Saturday Saturday Saturday Saturday Saturday  
Saturday  
What's on the heel?  
Saturday Saturday Saturday Saturday  
What's on the heel? What's on the heel?  
And when I walk on a cyclone  
You should see it get rolling  
Over my heart and emotions -- inside me  
They go rolling inside me  
And when I walk it's a riot  
You should see the commotion  
A hundred people drowning in oceans -- inside me  
They go rolling inside me  
Inside me  
Inside me  
Liz finished by adding, "That's for Cindy Crawford."
