Every time I see your face  
I get all wet between my legs  
Every time you pass me by  
I heave a sigh of pain  
Every time I see your face  
I think of things unpure unchaste  
I want to fuck you like a dog  
I'll take you home and make you like it  
Everything you ever wanted  
Everything you ever thought of is  
Everything I'll do to you  
I'll fuck you and your minions too  
Your face reminds me of a flower  
Kind of like you're underwater  
Hair's too long and in your eyes  
Your lips- a perfect suck me size  
You act like you're fourteen years old  
Everything you say is so  
Obnoxious, funny, true and mean  
I want to be your blowjob queen  
You're probably shy and introspective

That's not part of my objective

I just want your fresh young jimmy

Turning slamming ramming in me

Every time I see your face

I think of things unpure unchaste

I want to fuck you like a dog

I'll take you home and make you like it

Everything you ever wanted

Everything you ever thought of is

Everything I'll do to you

I'll fuck you 'til your dick is blue
