TURNING JAPANESE

as recorded by The Vapors

I've got your picture

Of me and you

You wrote "I love you"

I love you too

I sit there staring and there's nothing else to do

Oh it's in color

Your hair is brown

Your eyes are hazel

And soft as clouds

I often kiss you when there's no one else around

I've got your picture, I've got your picture

I'd like a million of them all 'round my cell

I asked the doctor to take your picture

So I can look at you from inside as well

You've got me turning up and turning down and turning
in and

turning 'round

I'm turning Japanese I think I'm turning Japanese I really
think

so

Turning Japanese I think I'm turning Japanese I really
think so

I'm turning Japanese I think I'm turning Japanese I really
think

so

Turning Japanese I think I'm turning Japanese I really
think so

I've got your picture, I've got your picture

I'd like a million of them all 'round my cell

I want the doctor to take your picture

So I can look at you from inside as well

You've got me turning up and turning down and turning
in and

turning 'round

I'm turning Japanese I think I'm turning Japanese I really
think

so

Turning Japanese I think I'm turning Japanese I really
think so

I'm turning Japanese I think I'm turning Japanese I really
think
so
Turning Japanese I think I'm turning Japanese I really
think so
No sex, no drugs, no wine, no women
No fun, no sin, no you, no wonder it's dark
Everyone around me is a total stranger
Everyone avoids me like a psyched lone ranger
Everyone
That's why I'm turning Japanese I think I'm turning
Japanese I
really think so
Turning Japanese I think I'm turning Japanese I really
think so
I'm turning Japanese I think I'm turning Japanese I really
think
so
Turning Japanese I think I'm turning Japanese I really
think so
Turning Japanese I think I'm turning Japanese I really
think so
Turning Japanese I think I'm turning Japanese I really
think so
Turning Japanese I think I'm turning Japanese I really
think so
(think so think so think so)
Turning Japanese I think I'm turning Japanese I really
think so
