My black market white baby dealer  
Is hunting around overseas  
My black market white baby dealer  
Brings back clean, fresh white babies to me  
He brings back  
Oh my God, he brings back  
He brings back clean, fresh, white expensive babies  
My smile is dime a dozen  
My lips are cherry red  
My eyes are blue like the sky is blue  
I got good shoulders under my head  
I look like your mother  
I look like your great-aunt  
Sit me down in your family photo  
And everyone tells me that I, I look just like you  
(I changed this verse for you)  
My black market white baby dealer  
Is hunting around overseas  
My black market white baby dealer  
Brings back clean, fresh white babies to me  
Clean, fresh white babies to me  
Clean, fresh white babies to me
