It was a soft summer night when you came into my life

I thought it was a dream when your hand reached out
for me

there was something there that I couldn't compare

and I knew that you were the only one for me

seasons change

It was a cool autumn's eve when you sensed that I was
leaving

a tear came to your eye but I just let it run dry

you said don't go away but I just left you anyway

I wasn't sure if you were the one for me

seasons change

It was a cold winter's morning I had been up all night
crying

I knew I'd done you wrong, I'd been astray for oh so
long

I'm on my knees in pain I wish things had stayed the
same

and I just hope that you will take me back

seasons change

It was a warm spring's night when you let me back
inside

I thought it was a dream but you still cared for me

your love filled my heart nothing could tear us apart

and I knew that you were the only one for me

seasons change
