Listen boy

You,
You got, you got, you got what I want
You got, you got, you got what I need
You got, you got, you got what I want baby, you're all i
need
You,
You got, you got, you got what I want
You got, you got, you got what I need
You got, you got, you got what I want baby, you're all i
need

I'm hoping he's a man of devotion
He could be everything that i'm hoping for,
heaven knows that i hope you could be so much more.

A fantasy, it's a real emotion.
It's not a dream, i'm just losing control,
and i know, yes i know that i can't slow it back no more

Listen boy

You,
You got, you got, you got what I want
You got, you got, you got what I need
You got, you got, you got what I want baby, you're all i
need

You got, you got, you got what I want
You got, you got, you got what I need
You got, you got, you got what I want baby, you're all i
need

I'm positivly in love with you baby,
I know it's wrong, but you driving me crazy,
I know it's wrong but i said it before you're the one that
i need

So let it be, sweet love we're making
Eternily, and this game that we playing

I can lose you, you can win, let's give into this feeling
baby.

Listen boy

You,
You got, you got, you got what I want
You got, you got, you got what I need
You got, you got, you got what I want baby, you're all i
need

You got, you got, you got what I want
You got, you got, you got what I need
You got, you got, you got what I want baby, you're all i
need

I'm hoping he's a man of devotion
he's the man of devotion
he's the man of devotion

You got what i want baby

Listen boy

You,
You got, you got, you got what I want
You got, you got, you got what I need
You got, you got, you got what I want baby, you're all i
need

You got, you got, you got what I want
You got, you got, you got what I need
You got, you got, you got what I want baby, you're all i
need

You,
You got, you got, you got what I want
You got, you got, you got what I need
You got, you got, you got what I want baby, you're all i
need
