Sittin' on my window sill,
Just thinkin' to myself.

Maybe this could be a fairytale;
Just you and me together forever
In this fairytale.

Daydreamin' in my bed,
Fantasies in my head.

Maybe this could be a fairytale;
Just you and me together forever
In this fairytale.

Maybe a tower,
Maybe a crown,
With my "Prince Charming",
To whom I am bound.

Dreams like this
Just can't go wrong,
'Cause without my fairytale,
We wouldn't have this song.

Maybe this could be a fairytale;
Just you and me together forever
In this fairytale.
