Hugs, gimme hugs, gimme hugs
I don't need it
But I'll sell
What you got
Take the cash
And I'll keep it
Eight legs
To the wall
Hit the gas
Kill 'em all
And we crawl
And we crawl
You be my detonator

Love, gimme love, gimme love
I don't need it
But I'll take
What I want
From your heart
And I'll keep it
In a bag
In a box
With an X
On the floor
Gimme more
Gimme more

Shut up and sing it with me

Na, na na na, na na na, na na na na na
From mall security
Na, na na na, na na na, na na na na na
To every enemy
Na, na na na, na na na, na na na na na
We're on your property
Standing in V-formation

Na, na na na, na na na
Let's blow an artery
Na, na na na, na na na
Eat plastic surgery

Na, na na na, na na na
Keep your apology
Give us more detonation

More
Give me more
Give me more

Oh, let me tell you about the sad man
Shut up and let me see your jazz hands
Remember when you were a mad man?
Thought you was Batman?
And hit the party with a gas can?
Kiss me, you animal!

Na, na na na, na na na
You run the company
Na, na na na, na na na
Hug like a Kennedy
Na, na na na, na na na
I think we'd rather be
Burning your information

Na, na na na, na na na
Let's blow an artery
Na, na na na, na na na
Eat plastic surgery
Na, na na na, na na na
Keep your apology
Give us more detonation!
