You you you
You been wastin' all my time
wastin' all my time today
You you you you
You been wastin' all my time today and you got nothin'
to say
I let you occupy my mind
I saw you there all the time
I handed over my heart waitin' for somethin' to start
You you you
You been wastin' all my time
wastin' all my time today
You you you you
You been wastin' all my time today and you got nothin'
to say
You looked straight into my eyes and tricked me into
another tribe
You said you knew how I feel
But you weren't keepin' it real
because
You you you
You been wastin' all my time
wastin' all my time today
You you you you
You been wastin' all my time today and you got nothin'
to say
I'm takin' back my time
I'm gonna make it mine
'cause
You you you
You been wastin' all my time
wastin' all my time today
You you you you
You been wastin' all my time today and you got nothin'
to say
You you you
been wastin' all my time
You you you
You been wastin' all my time
wastin' all my time today
You you you you

You been wastin' all my time
wastin' all my time today
Oh no
Yeah
