I have been wronged by you  
Someday you'll, someday you'll see  
What has been done brings you  
Closer to, closer to me  
Did you say you never meant it?  
Did you scream it out loud?  
Someday you'll, someday you'll be  
A ship afloat, and endless road, an empty soul  
And nothing to  
Nothing to me  
The closer that we grow  
Always high always low  
The harder that we fall  
Always right always wrong  
I have been wronged by you  
Someday you'll, someday you'll see  
What has been done brings you  
Closer to, closer to me  
Unbroken and reborn  
Second sights and well-worn  
Unbridled and restless  
Reminded and venomous  
I have been wronged by you  
Someday you'll, someday you'll see

What has been done brings you  
Closer to, closer to me  
Did you say you never meant it?  
Did you scream it out loud?  
Someday you'll, someday you'll be  
A ship afloat, an endless road, and empty soul  
And nothing to  
Nothing to  
Nothing to me  
Closer to me  
Closer to me  
Closer to me  
Closer to me  
Closer to me  
I have been wronged by you  
Someday you'll, someday you'll see

What has been done brings you  
Closer to, closer to me  
Did you say you never meant it?  
Did you scream it out loud?  
Someday you'll, someday you'll be  
A ship afloat, and endless road, an empty soul  
And nothing to  
Nothing to me
