All you want is company
But they don't treat you right
No, they won't let you be
Hey
All I need's a guarantee
Wouldn't it be nice if you could stay in love with me
You can run, you can hide
But you can't escape what's inside
Oh, we'll be alright someday

Baby you're too hard to break
Treat you right and you'll come back for me
You don't want to stay away
What suits you right is better company

So you get your glory by the gram
Baby so do I, no lie, no lie
Oh I can see in your eyes
No you can't hide
Oh, we'll be alright someday

Baby you're too hard to break
Treat you right and you'll come back for me
You don't want to stay away
What suits you right is better company

All I need's a guarantee
Wouldn't it be nice if you could stay in love with me
Yeah
You can run, but you can't hide

Baby you're too hard to break
Treat you right and you'll come back for me
You don't want to stay away
What suits you right is better company
