Oh please, won't you let me stay the night  
Gotta prove myself right  
Your mouth just won't play by the rules  
So when we get out of law school  
Oh, it's on

I've thought a lot about  
The things I heard from the pretty girls back home  
Keep it, I'm waiting  
I thought a lot of you back home  
Now it's really simple, baby  
You're temporary

Turn off the lights, turn off the lights  
I've gotta prove myself tonight  
Pay attention sweetie  
I'll ask you one thing straight  
We're not in high school  
Stop talking and start moving  
Stop talking and start moving  
Oh yeah, oh yeah, oh yeah

I've thought a lot about  
The things I heard from the pretty girls back home  
Keep it, I'm waiting  
I thought a lot of you back home  
Now it's really simple, baby  
You're temporary

It's the life, but I wouldn't recommend it  
(It's the life)  
It's the life, but I wouldn't recommend it  
(Oh yeah)

I've thought a lot about  
The things I heard from the pretty girls back home  
Keep it, I'm waiting  
I thought a lot of you back home  
Now it's really simple, baby  
You're temporary

It's the life, but I wouldn't recommend it  
(It's the life)  
It's the life, but I wouldn't recommend it  
(It's the life)  
It's the life, but I wouldn't recommend it  
(It's the life)  
It's the life, but I wouldn't recommend it  
(Oh yeah)
