I've had some time since yesterday  
To think of all the things I didn't do (Oooh-ah-ah-ah)  
What's squandered doesn't matter  
As you age, your face will act as living proof (Oooh-ah-ah-ah)  
The clothes you wear and cash you spare  
Will give you what you gave up in your youth

So don't be ashamed (Oooh-ah-ah-ah)  
We're on the same page (oooh-oooh-oooh)  
No, don't be ashamed  
We're on the same page

The clothes you wear and cash you spare  
Will give you what you gave up in your youth
