If I, if I think too fast  
Take what's in my head  
I've got two things in my head's end

If I think too fast  
Take what's in my head  
I've got two things in my head's end

Now I've got these chores  
And I'm not gonna hurt no one  
And when at last my work is done

Now I've got these chores  
And I'm not gonna hurt no one  
And when at last my work is done

If I (x9)

If I think too fast  
Take what's in my head  
I've got two things in my head's end

If I, if I think too fast  
Take what's in my head  
I've got two things in my head's end

Now I've got these chores  
And I'm not gonna hurt no one  
And when at last my work is done

Now I've got these chores  
And I'm not gonna hurt no one  
And when at last my work is done

If I (x36)

I only want the time  
To do one thing that I like  
I want to get so stoned  
And take a walk out in the light drizzle  
At the end of the day

When there's no one watching

At the end of the day

When there's no one watching
