### "Sweet Road"

It started like a stone  
I grew it out but then I rested it  
I found sweet road  
It came alloweded alright  
I left my purse then found the road

I'm painted in a patchy problem  
None can tell what I can tell, nuh-uh  
Let them eagles have good times  
It's a road and not a soda

I found sweet road  
I found sweet road

It started like a stone  
I grew it out but then erased it  
I found sweet road  
It came out of us on the right  
I left my purse then found the road
