We were visiting friends and saying hello
Then getting stoned and not saying much
Watching the people on TV who talk faster than us
I'm still holding the cup
Ignoring the sound of the ice cream truck

She had visiting moods
What it wants to be

We were visiting friends
Too (muddy)
Got stuck
I walked a

I heard a bird in the windowpane
You rolled up your grass

But the cop couldn't tell

Visiting his
We're visiting (Ed's)
Marking the difference
In the way that they smell
The light hits them differently
The sheets do get cold
The windows are cracked
Do you recognize the room,
The posters that tilt,
Furniture spread around

We were visiting mine
