I'm like this and early this.  
I'm like this and you're like this,  
I'm like his, and I like this,  
I'm like this and early this,  
(Tigers, we tigers, whoop! )  
Hey kids/(whoop)  
Let's pick up sticks. (whoop, whoop)  
Let's pick the sound of our (whoop)  
Homes. (whoop, whoop)  
Hot dogs invited if everything feels right.

One two, three, (whoop)  
The rings of a tree (whoop, whoop)  
So sick of marking it (whoop)  
Out (whoop, whoop)  
A change of the words with a poltergeist, I hate cars,  
The world's so unnecessary now

But I would like to sing this swinging from the terrace,  
so people never seem to learn

Everybody's bloated, x10  
Tiger, x5, tigers  
Oh ah ohh, oh ah ohh  
Katie did, x2  
Ohahhh, ohahhh  
Ogres, x6  
Oh ah oh ah, x6

I've felt worse, (whoop)  
After the curse, (whoop, whoop)  
Knowing what I shouldn't (whoop)  
Be (whoop, whoop) (I like it)  
I don't know what I'll do  
But lets walk around  
And pretend to be messes at sea.  
A kiss or a kid (whoop)  
Wont change the jist (whoop, whoop)  
Rules that I want you to (whoop)  
Die. (whoop, whoop)  
I'm really hungry

But you crashed my apartment  
And kept me up wait besides

And I would like to sing this swinging from the terrace,  
some people never seem to learn

Everybody's bloated, x10  
Tigers, x25
