Talk, talk, talk, talk, keeps getting in the way
Speaking as a young artiste who has so much to say
So now you know my situation
understand my aggravation
building up so strong inside
cause I wanna make some noise

I can play
Faster and louder
I can dance
Faster and louder
I can live
Faster and louder
I'm a man
Faster and louder

Feel the need to express myself
Think I'll form a band and call it Yazoo Squelch
Some say it's an abberation
I know it's my avocation
step aside and watch me fly
cause I'm gonna make some noise

I can talk
Faster and louder
I can eat
Faster and louder
I can screw
Faster and louder
I'm a man, I'm a man
Faster and louder

I can scream
Faster and louder
I can jive
Faster and louder
walk the dog
Faster and louder
mow the lawn
Faster and louder
jump back jack!
Faster and louder

get down Bernice!
Faster and louder
Hot Pants!
