"The Minnesota Strip"

The strip is hopping on Friday night
They come from so far away
There's Dapper Dan in an Oldsmobile
He's got the urge and he'll pay

Hey hey, who's your daddy little girl?
Hey hey, you'll be a woman of the world
It's ten bucks, you gotta do it quick
We like young girls on the Minnesota Strip

I waste my time in the Terminal Bar
Down on 8th Avenue
I get my kicks from the social world
Outside the Burger and Brew

Hey hey, who's your daddy little girl?
Hey hey, you'll be a woman of the world
It's ten bucks, you gotta do it quick
We like young girls on the Minnesota Strip

The Minnesota Strip
(They got a pipeline)
They got a pipeline to the city, to the city, yeah yeah
