@ARTIST House of Pain

Victimized

But you're in bed

Stumble out

and run dead

If it ever paid

To sell (a?) (start?) (star? *sigh*)

Enviroment

make you smart

Just another victim

Just another victim

Just another victim, kid

I heard it once

but not before

(taking? or begging?) off

and livin bored

my hands are tied

webbed feet again

fell in behind

and claim us dead(?)

Just another victim

Just another victim, (says something that starts with an S, or

has an S in it? :)

Just another victim

Cast this

(?)

Give it up

I'll lie to you

(Blamin? Flamin? Played in?) Flame this

(?)

Pointed finger

You fall apart

Just another victim

Just another victim

Just another victim

(fade to HOP)

You played yourself now you point the finger

How i've robbed and raped ya, bruised and scraped ya

but those are just lies, cause in your eyes you've been victimized

It's how you size it up, you disguise it up, and try to make it look real

To cover up the low self esteem you feel

Introspection an afterthought, swimmin in guilt your favorite sport

But now you're caught up in the undertow, you never knew a man could sink

so low

But now you know, cause you're John Doe

In a black bag a tag on your toe

I built the House

I felt the Pain

You're victimized but got no one to blame

Just another victim

You're just another victim, kid

Just another victim

You're just another victim kid

Holy diver, i'm a survivor, feeling like DeNiro in Taxi
Driver

With Jodi Foster, and Harvy Kietel

Looks like i'm walkin through a livin Hell

So spark that (?), and i'll get lifted

feelin the effects of what my spliff did

Cause i'm gifted, I read Sun Tzu

I bought a Gun too so you'll never come too

The weight of the world ridin on my shoulders

Cause i'm a soldier, I thought I told ya

You're just another Victim

You're just another Victim, kid

You're just another Victim

You're just another Victim, kid

You're, etc, etc
