I could offer you a warm embrace
To make you feel my love
When evening shadows and the stars appear
And there's is no one to dry your tears
I could hold you for a million years
To make you feel my love
I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
There's no doubt in my mind where you belong
I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
There ain't nothing' that I wouldn't do
To make you feel my love
The storms are raging on a rolling sea
And on the highway of regret
The winds of change are blowing wild and free
You ain't seen nothin' like me yet
There ain't nothin' that I wouldn't do
Go to the ends of the earth for you
Make you happy make your dreams come true

To make you feel my love
