It's an I'll wind that blows no good
And it's a sad heart that won't love like it should
Oh, how lonesome you must be, yeah
And it's a shame if you don't share your love with me
Love with me
An it's a heartache when love is gone
But it's bad and even sad later on
There's no one blinder than he who won't see it
And it's a shame if you don't share your love with me
Love with me
And I can't help it, oh no, if she is gone
You must try to forget, oh, you must live on
And I say, it's a good thing to love someone
But it's bad and even sad when it's not returned
And oh, how lonesome, yes, you must be, yeah
And it's a shame if you don't share your love with me
And I said, it's a shame, oh, if you don't share your love
with me
Oh, yeah
