Love
Lost in the sleep
Of faint silver bells
Mist turning sweetly under the knells

Doves, they entwine
In garlands of snow
Led from the weeping, sad earth below

It's never over
I will dream again
Of waking to your gentle kiss

Love
Frail birds entreat thee
Stark in the night
Nothing can shine but your gorgeous light

Angel tears dry
On my bittler lips
Slow drifts the time from worlds that knew bliss

It's never over
I will dream again
Of waking to your gentle kiss

Oh
I'm so strangled
Do walk away
Oh
I'm so sick
And you know the way
Oh
I'm so ready
To die today
Oh
I'm so strangled
Do go away

Down in the warm night
Fools in the wind blow free
