Monkey and the baboon playin' in the grass
Monkey said, "Don't give me no sass"
When the baboon gave the monk a hard sock
You should see the monk do the 'Eagle Rock'

Monkey doodle-do
Monkey doodle-do
If you try to make a monkey out of me
I'll make a baboon of you

Monkey and the baboon playin' on a limb
Baboon fell, the monkey laughed at him
Baboon yelled, "You're too darn fine"
Smacked that monkey right in the eye

Monkey doodle-do
Monkey doodle-do
If you try to make a monkey out of me
I'll make a baboon of you

Monkey caught the baboon peeping through the door
The baboon said, "Let me peep once more"
But the monkey said "Nothin doin' tonight"
"Gonna stay right here till I lose my sight"

Monkey doodle-do
Monkey doodle-do
If you try to make a monkey out of me
I'll make a baboon of you

Monkey doodle-do
Monkey doodle-do
If you try to make a monkey out of me
I'll make a baboon of you

I'll make a baboon of you
