So you say

I'm too quiet

Holding things

Up in my head

I say so much

But you don't buy it

I don't want to wake up

Alone in my head

CHORUS

I need a lot of you

I want a lot of you

I need a lot of you

All of you

I tend to think

I'm getting nowhere

I drag it out

Whenever I can

Someday

I'll get back there

And find the world

You dropped from your mind

Oh but some things you'll never show now

I know

I know

CHORUS

Watch you coming up

Out on top now

Watch you coming up

CHORUS
