"Answer Me"

It seems you're feeling down

You don't know how long

But you know you don't like it

Lost in your room

It seems you're feeling tired

You don't know what from

One too many parties

Makeup hides the wounds

Chorus

Answer me

Giving up won't get you out

Can't you hear me

Come and leave this room of doubt

Answer me

It seems you're feeling scared

You don't know how come

Hiding in the shadows

Praying for the sun

Chorus

It seems you're feeling old

You don't know how long

Holding on to memories

Waiting for the song

Chorus
