So you sailed away

into a grey sky morning

Now I'm here to stay

Love can be so boring

Nothing's quite the same now

I just say your name now

Chorus:

But it's not so bad

You're only the best I ever had

You don't want me back

You're just the best I ever had

So you stole my world

Now I'm just a phony

Remembering the girl

leaves me down and lonely

Send it in a letter

Make yourself feel better

Chorus (1x)

And it may take some time to

patch me up inside

But I can't take it so I

run away and hide

And I may find in time that

you were always right

You're always right

So you sailed away

into a grey sky morning

Now I'm here to stay

love can be so boring

What was it you wanted?

Could it be I'm haunted?

Chorus (1x)

The best I ever had

Best I ever
