So you sailed away

Into a grey sky morning

Now I'm here to stay

Love can be so boring

Nothing's quite the same now

I just say your name now

Chorus

But it's not so bad

You're only the best I ever had

You don't want me back

You're just the best I ever had

So you stole my world

Now I'm just a phony

Remembering the girl

Leaves me down and lonely

Send it in a letter

Make yourself feel better

Chorus

But it's not so bad

You're only the best I ever had

You don't need me back

You're just the best I ever had

And it may take some time to

Patch me up inside

But I can't take it so I

Run away and hide

And I may find in time that

You were always right

You're always right

So you sailed away

Into a grey sky morning

Now I'm here to stay

Love can be so boring

What was it you wanted

Could it be I'm haunted

Chorus

But it's not so bad

You're only the best I ever had

I don't want you back

You're just the best I ever had

The best I ever had

The best I ever
