I need to know if you were real

'cause I've been known to get it wrong

When the memory comes

I'll say I'm always in the dark

You got me now

Chorus:

I want to give you back

I want to give you back

somewhere out of here

I want to give you

I want to give you

I want to give you back

I can't remember how it went

You looked like everything I wanted

And as you came along

slowly everything began to change

I got you now

Chorus (1x)

That's enough

just talking about it

I don't mind

I don't mind, no I  
laugh enough  
just dreaming about it  
I need to know if you were real  
I'd hate to think that I'd been fooled again  
And as the vision fades  
I'll say I was blinded by your eyes  
I felt them burn  
Chorus (1x)  
Somewhere out of here  
You gotta get on out of here  
Get on out of here  
Get on out of here  
Get on out of
