Goodnight my sun

Goodnight my friend

Rest your soul at this

Long day's end

The fire inside

Will warm our night

And daddy's arms will

Hold you tight

Dream of summer skies

Sunset is bound to each sunrise

Rest is your first right

My friend goodnight

This world spinning

Time always winning

The silver chains keep thinning and

This is just your beginning

Sleep my friend

At last be free

No we won't forget

Our merriest melody

Gone to another place

Of carousel rides round an angel's face

I'm sure we'd both laugh at the sight

My friend goodnight
