"You Say"

Here in the light

It burns you up inside

Here in the shell of a sun

We echo on

Too much listening

Not enough living

CHORUS

And you say

What did

I say

What did

You say

We just

Go away

Go away

Go away

It helps you out

Knowing I'm left out

Locked in a box with a light

That won't shine

Turn it on and wait for

Someone to come

CHORUS

I'm here now

Waiting

Holding on to reasons

Wasted

I faced it

Watching you deny me

Here in the light

It burns you up inside

Here in the shell of a sun

We echo on

Left alone forever

All alone together

CHORUS to fade
