I've got to be honest,
I think you know,
We're covered in lies and thats OK,
But there's somewhere beyond this,
I knoww,but I hope I can find the words to sayyy,

Neveragain,nooo,
No never agaaaaaaain.

'Cause you're a god,
And I am not,
And I just thought that that you would know,
You're a god,
And I am not,
And I just thought I'd let you gooo.

Though I've been unable,
To put you down,
I'm still learnin' things I ought to know by now.
It's under the table,soooo
I need somethin' more to show somehow.

Neveragain,nooo,
No never agaaaaaaain.

'Cause you're a god,
And I am not,
And I just thought that that you would know,
You're a god,
And I am not,
And I just thought I'd let you gooo.

I've got to be honest,
I think you know,
We're covered in lies and thats OK,
But there's somewhere beyond this,
I knoww,but I hope I can find the words to sayyy,

Neveragain,nooo,
No never agaaaaaaain.

'Cause you're a god,
And I am not,
And I just thought that that you would know,
You're a god,
And I am not,
And I just thought I'd let you gooo.

You're a god,
Oh and I am not,
I just thought that you would know,
Oh, I thought that you would know,
You're a god,
Oh, and I am not,
I just thought I'd let you go
