"Big Rumble"

Cocked and ready, oh, here I stand
Anticipating the laying on of the hands
Might be frivolous, may be profound
But it feels like deliverance going down

Hey now, come around
The big rumble is coming down
Go tell it on the moutainside
Over the hills and across the sky
Hey now, watch out, run
Big rumble is about to come
Go tell it to the people there
Over the hills and everywhere

The young girls screaming as the gym rat speaks
Might see some walk-on on a shooting streak
Bog snake charmers and medicine men
Some like Daniels in the lion's den

Hey now, come around
The big rumble is coming down
Go tell it on the moutainside
Over the hills and across the sky
Hey now, watch out, run
Big rumble is about to come
Go tell it to the people there
Over the hills and everywhere

A man with a ball as a saviour too
A strange conception of the holy truth
The biggest and baddest as Moses too
Worksfor some, maybe me and you

Hey now, come around
The big rumble is coming down
Go tell it on the moutainside
Over the hills and across the sky
Hey now, watch out, run
Big rumble is about to come
Go tell it to the people there
Over the hills and everywhere
