(by Bruce Hornsby)

Some live life with eyes that don't see  
They look away at the time of your greatest need  
Some talk, some'll just do, some just turn their back  
Turn around and just walk away  
I know i've done that  
Lonely days and lonely nights  
Easy to be cynical  
Never put yourself on the line  
I'd like to reach out  
Well, why don't I?  
Take the load up off your back  
I'd like to try

Let me carry the water  
Let me carry the weight  
I will bear your burden  
Let me carry the load

Working hard, sweating all day  
In the long hot sun  
Feel alone with a heavy heart  
You're not the only one  
Bossman says time to jump  
We say how high  
If you need a hand getting off your feet  
Baby, i'll try

I want to cover you  
Like the sea on the sand  
Easy to be cynical  
Never take a stand  
Easy for me not to give a damn  
I'll ask you to call for me  
And i'll give you a hand

Let me carry the water  
Let me carry the load  
I will shoulder your burden  
Let me carry the load

Lonely nights and lonely days  
You wait for someone to come along  
And sweep you away  
I'll put myself out there  
It just might feel good  
I don't always do that  
But I think I should
