Oh I just can't believe I found April
In April
Found April yeah

Never could believe in magic
Cross out superstition too
I never could believe in much of anything
Til I found April

In April
Oh I just can't believe I found April
In April
Found April yeah

Sunshine, moonshine
starshine, springtime
Sunshine, moonshine
Starshine, springtime
Springtime
Springtime

Spring-time
In April
Found April
In April
Oh I just can't believe I found April
In April
Found April yeah
