I don't care what you say
Nite is the best time of the day

Nite is the time of high concentration
Nite is the time of the future shock nation

I don't care what you say
Nite is the best time of the day

Nite is the music of my imagination
Nite is the shadow of a day's radiation

I don't care what you say
Nite is the best time of the day

(synth solo)

I don't care what you say
Nite is the best time of the day

Nite is the time of the new revolution
Nite is the time you've got to find your solution

I don't care what you say
Nite is the best time of the day
