If ever I'd known.

All of the luck in the world this time around
won't change a thing tonight.

If ever I'd known.

I've done alright for myself this time around
given the weight of the time.

If ever I'd known.

You have all of this whole world,
I've got these four leaves and walls.

If ever I'd known.

All you are capable of next time around
I'll be the better man.

If ever I'd known.

It really isn't fair next time around
Alaska will be mine.

If ever I'd known.

You have all of this whole world
I've got these four leaves and walls.

Next time around,
I'll leave all these
clovers buried in the ground
for you to find
next time around.

I'll leave all these
clovers buried in the ground
for you to find
next time around.
