Well come with me to a place by the sea  
If your ship breaks down you can always find me  
and Dirty J chillin' underneath a shady tree  
Our fans are always welcome with our friends and  
family  
And if you wish you could stay, as long as you please  
Just lend a helping hand to build our cabin by the sea  
Where every day is beautiful the sun, the sand, the  
breeze  
And everybody lives together here in harmony.

And weâ€™ll sing, just as loud as we please  
And we will be, forever so free  
So come follow me  
Cabin by the sea

Picture you and me in a cabin by the sea  
You paint the fence; Iâ€™ll hang the tire from the tree  
Our friends are all around and the storm was a no show  
You say we look better in a black and white photo

Picture you and me in a cabin by the sea  
Sit up on the porch and we can burn a couple trees  
Our friends are all around and the storm was a no show  
Say we look better in a black and white photo

What the photograph donâ€™t show  
Is where weâ€™re headed tomorrow  
And when we have to go  
Weâ€™ll always be together in the black and white  
photo

We'll gather up some rocks and make a circle in the  
sand  
We'll fill it up with wood and build a fire with our hands  
The smoke starts to rise, the moon starts to shine  
You bring the weed; weâ€™ll bring the whiskey and the  
wine  
And we can pass it all around until it's all gone  
We'll put a message in the bottle, put the cork back on  
We'll throw it in the sea, the message it will read,  
â€œIf you find this don't send help, send another

bottle please. æ

And we'll sing, just as loud as we please  
And we will be, forever so free  
So come follow me

And when the sun goes down, we can start a fire to sit
