In my neighborhood
I never sweat when I'm
In my neighborhood
I feel much better when I'm
In my neighborhood
I never sweat when I'm
In my neighborhood
I feel much better when I'm
In my neighborhood
I never sweat it when I'm
In my neighborhood
I never sweat it

Well I just got out the water and I'm late for school I
asked Duddy to skip and he said that's cool so I
grabbed up on my skate and we went to get a magnum

and now its 3 years later and I still haven't walked just
to get kicked out of class now I get paid for when I talk
and you can tell by my speech that I come from beach
and I know that you're pissed cuz you didn't make this
beat and I know that you don't like me but I know you
like my flow I know that you don't like me cuz I say
dude and bro alot of rappers talkin' bout things that
they don't know how to do drugs have sex get drunk
and rock a show I love coming home cuz its always so
wonderful cuz when your in your neighborhood your
much more comfortable.

(Chorus x1)

Verse 2:

Went out of my way your feeling alone as a distance
pressures away you could be home where I fit in. I'm

porch and two chairs no place to go no way to get there

These Cali woman be the best I've seen be the best I've
seen be the best I've seen Cali weed be the brightest
green be the brightest green be the brightest green.
