?~~English~~?

Slide of an orange reflects in the sky  
Hanging the pride of a sponge

Spider  
No need to hide  
the premonition of life captured  
it is like a colored dream

Ride on shooting star

I continued singing  
like a shotgun with all my heart

A grunged hamster becomes more mature  
and is accompanied by a lobster of revenge

Sniper  
What do you say that  
you can see in that framed world?  
I want to touch it before you aim

Ride on shooting star  
I'm looking for you and I'm having withdrawal  
symptoms  
I lied to you

Ride on shooting star  
I continued singing  
like a shotgun with all my heart
