I know you
You get on my nerves
You feel that way too
It's the same with me

You don't see me
too late for regrets
I can permit you
to stain my pride

Will you leave behind the lost words
Just a few steps to tell
There's no use saying anything
Hey You
Sad Sad Kiddie so long

I know you You are not my type
If I were you I'd want to hide
It's so to speak grown-up baby
You are selfish an idle fish

Will you leave behind the lost words
Just a few steps to tell
There's no use saying anything
Hey You
Sad Sad Kiddie so long

Will you leave behind the lost words
Just a few steps to tell
There's no use saying anything
Hey You
Nobody comes to help you forever
Sad Sad Kiddie so long
