Beau Dozier

Hot Rod (yeah)

Tela, oh my god! (Ha ha)

[Hot Rod]

Yeah, let's go

I like to fuck, every day, every night

I like to fuck, when its wrong, when it's right

I like to fuck, if she black, if she white

I like to fuck, if it's loose, if it's tight

I met this girl named Tammy

I ploughed her in Miami

The way she moaned, gettin' boned in my studio while
she ram the Grammy

All my girlfriends trip 'cause I give good dick away

And make 'em wanna say "daddy" (daddy)

Like fuck ya, that's what's up, every 30 seconds gotta
bust

[Beau Dozier]

Baby don't take it personally

I go and fuck these hoes,

Just like a brother, won't fuck for a second

I make love to you,

Don't worry for a fuck, baby you're my queen,

Even though I go through my thinkin' you're my
everythin'

Baby it's just 'cos... (he he)

[Hot Rod]

I like to fuck, bitch, once you go black you ain't never
goin' back

Hop up in my Cadillac

Lets go for a ride

Baby you ain't gotta take your panties off just move
'em to the side

(side) the side

Now I'm fuckin' with the lights

Pretty bitch, lights on, ugly bitch, lights off

I got money, I'm a boss, hustlin' like Ricky Ross, yeah
Faces down, arses up, that's the way I like to fuck
No hands, drippin' wet, that's the way you like to suck

[Beau Dozier]

Baby don't take it personally
I go and fuck these hoes
Just like a brother, won't fuck for a second
I make love to you
Don't worry for a fuck, baby you're my queen
Even though I go through my thinkin' you're my
everythin'
Baby it's just 'cos...

[Tela Tequila]

I like to fuck, sexy boys, sexy girls (uh huh)
I like to fuck, let their pants drag curls
I like to fuck, suck cock until I hurl
I like to fuck, everybody in the world, Michael Jackson
(hee hee)
I start to feel it getting' real hot
I called The Doctor ride the hot rod
Squirt like the wipers I'm a hot gal
Ama se, mama sa, mama coo sa
Something on my titties so milky
I get flirty with it, I'm so filthy
Do it like you wanna make it, baby yeah MILF me
If it ain't yours you can still come and drill me
Riiiiight

[Beau Dozier]

Baby don't take it personally
I go and fuck these hoes
Just like a brother, won't fuck for a second
I make love to you
Don't worry for a fuck, baby you're my queen
Even though I go through my thinkin' you're my
everythin'
Baby it's just 'cos...
