"Never"

But I know you want to run

Well you're hot hot

Loaded like a gun

Oh you feel oh so trapped and confused

Start with nothing you've got nothing to lose

You can never never never ever never never never ever
hide your heart

Don't ever ever ever ever try

If you don't give your heart wings

You'll never never never ever never never never ever
fly

Break down the walls

Well you've got to cut the ties

Well there's pain pain

Burning in your eyes

It's time to fight

Well it's time for tearing free

Well come come running straight to me

Well you know he don't love you like I do

Don't make believe that you don't feel it too

You can never never never ever never never never ever
hide your heart

Don't ever ever ever ever try

Whoa, no

If you don't give your heart wings

You'll never never never never fly

You'll never fly

If you want you can fly
